Missions

An update from Guyo Tinio Meeso in Addis Ababa, Ethiopia. Guyo is now 15 years old and in grade 6. Her favourite subjects are English and local language studies. At school she assists with classroom duties and is a member of the dance team. She walks about 2 km to get to school. She wears a school uniform and takes part in a nutrition program. The school now has a washroom. She lives with her mother and father, who is a subsistence farmer. They recently bought a cow, which is a big deal! At home Guyo gathers firewood and travels about 1 km to the community tap to get water for the family.

You can write Guyo at: Langano Program #056500, Christian Children's Fund of Canada, PO Box 9123, Addis Ababa, Ethiopia. She would love to hear you, it would be a great encouragement for her.

Don't forget to pick up a copy of the new Missions Newsletter located on the ushers tables. It provides information on the missionaries and mission projects supported by FBC and how you can pray for them.
